Shoe Size Measurements

How to measure your child's foot.

- * Ensure your child's foot is relaxed before measuring.
- * Measure towards the end of the day to ensure foot is at it's largest.
- * Place your child's foot on a piece of paper
- * Draw a line at the heel and at the big toe - measure the foot length in mm.
- * DO NOT add to your child's foot length as wriggle room has been factored in.
- * Whilst we have tried our best to make our sizing guide as accurate as possible, the sizing of our shoes may vary slightly between designs.
